November 19 - 20, 2018 Florida, Orlando

Theme: LEADING INNOVATION FOR BETTER NURSING AND GLOBAL
HEALTH CARE

About NWH 2018

We are pleased to announce the **Nursing World Congress and Health Care 2018**: The Conference for Nursing Health care will be held in November **19 -20, 2018 at Florida, Orlando**. This Conference will provide you to advanced clinical practice giving you the tools you need to improve the overall quality of patient care.

With the Theme: Leading innovation for better nursing and global health care, (NWH 2018) conference will also meet your continuing education needs by providing evidence-based educational sessions hands-on workshops and skill-building sessions that deliver comprehensive results-oriented patient care strategies. Our expert speakers will cover a broad range of topics for advanced practice clinicians in both Health care and Clinical research. We'll also cover topics in men's and women's health, pediatrics, geriatrics, and more.

Certificate will be awarded upon completion of the conference. In addition, be sure to take advantage of the hands-on workshops incorporated throughout the program! We're offering our most popular workshops as new ones, and we've expanded session limits to accommodate more people. Remember to register early to secure your spot— these workshops are reason why many of you attend, and they almost always deliver up!

You'll enjoy a terrific setting, an evidence-based approach to learning, easy access to continuing education, numerous meal functions (which really sets the conference apart from all other events), and best of all, the opportunity to collaborate and exchange ideas with your peers.

Thank you !!

We look forward to seeing you in Florida !
